Season 2017/18 – amendments to side listings and draws

Reference 1718/10

As a result of changes to Club requirements there have been some minor amendments to the side listings and draws for the Saturday competition.

These affect Division 2, Division 4 South & East and Division 6 East & Central.

The revised side listings are available [here](#)

The draws have also been amended and are available via the Bowls SA website [here](#)

Conditions of Play

There has also been a small change to the Conditions of Play released on Friday 8th of September. These only affects page 12 – Rule 8.1.

This change affects Saturday Divisions 4 & 5. If a game is not completed (as per Rule 5.8) it **will not be resumed** on the following Friday night – it will be treated as a draw. Also refer to Rule 8.1.2.

As per last season, Saturday Premier League & Divisions 1-3 matches **will be resumed** on Friday nights if the game is not completed as per Rule 8.5.

Reminder to Clubs

Where Clubs have more than one side in a Division, these sides are ranked in descending order of ability (Rule 2.9.1) and are designated Red, White, Blue and Green with Red being the primary side (Rule 3.5). For Clubs in this situation, Match & Program has allocated colours based on the advice received from Clubs in season 2016/17. If any Club wishes to change the ranking order of those sides, they need to advise us in writing (matchcommittee@bowlssa.com.au) by Monday 25th of September.
